

Hi folks

During lockdown, if you have finally run out of things to do, why not have some fun with the quiz. This is the first of a series of questions, dingbats and occasional funny comments/jokes. Obviously in the days of the internet you can find the answers fairly easily but that would defeat the purpose. Feel free to use with your family, friends and neighbours while keeping the social distancing regulations. Enjoy and stay safe. Alan.

THE LOCKDOWN QUIZ 1
